

From Text to Life: Application Worksheet

Bridging the gap between knowing the Word and living it out

Bible study is never complete until truth becomes transformation. The goal of Scripture isn't just to inform your mind—it's to shape your heart, your priorities, and your actions. This worksheet helps you move from understanding the text to applying it in everyday life, so your teaching produces genuine spiritual growth.

1. Interpretation: What Does the Passage Mean?

- Summarize the main idea of the text in your own words:

- What does this reveal about God's character?

- What does this reveal about humanity or me?

2. Timeless Truth: What Principle Never Changes?

- What truth in this passage is always true—across time and culture?

- How would you phrase this truth as a single, memorable sentence?

3. Application: How Should I Respond Today?

- What specific step of obedience, faith, or repentance does this truth call for?

- What relationships, habits, or attitudes might this change?

- How can I apply this truth in my home, work, or relationships?

4. Grace-Based Reflection

True application grows from grace, not guilt. God's Word transforms us because His Spirit empowers us.

- How does this passage lead you to depend more deeply on Christ?

Because there's always Truth in the Text.
